Dear Friends of Limerick,

I hope this message finds you well.

As a valued member of Club Limerick New York/The Limerick Foundation of New York I am delighted to share details of our upcoming event on March 19, 2026, at The New York Athletic Club in Manhattan.

This event is particularly significant as it will remember and celebrate one of the greatest eras in Limerick sporting history. An exciting evening is planned at the NYAC where guests will be entertained by an exceptional panel of speakers, led by distinguished keynote speaker, Mr. Michael Dowling. A native of Knockaderry, **Co. Limerick**, Mr. Dowling is **the** former President & CEO of Northwell Health. Under his visionary leadership, Northwell was transformed into one of the ten largest health systems in the United States. His accolades are too numerous to mention, and we are truly honored that he will share some of his life experiences, leadership insights, and remarkable journey with us. Michael won a Sr. hurling national league medal with Limerick in 1971. By 1973, the year Limerick claimed the All-Ireland title, he had already moved to New York. There is little doubt that, had he stayed in Ireland an All-Ireland medal would have been among his many achievements.

Following our keynote address, we are thrilled to present the dream (backroom) team for a panel discussion. John Kiely, Paul Kinnerk, Caroline Currid, and Declan Hannon (Captain Fantastic) will be joined by moderator Ms. Sofie Colgan for a wide-ranging conversation reflecting on their journey over the past several years and discuss how the principles of elite performance translate from the pitch to the global marketplace.

We extend an open invitation to all to attend this historic event. Full details, including payment options are available at <https://www.limerickfoundationny.com/> and on attached page. However, if you are unable to make it on the night, we invite you to show your support through **journal sponsorship**, with full-page advertisements available for \$500. A donation from the proceeds of the Journal will go directly to The New York Minor Board. The journal will be shared with attendees and supporters and will stand as a permanent keepsake of this historic night.

A sponsorship contract is enclosed for your convenience. Should you wish to explore additional sponsorship opportunities or have any questions, please contact any member of the committee listed on the contract.

Since our founding in 2019, CLNY has been a key part of Limerick GAA's global network and has made generous donations to local community causes, both here in New York and in Ireland. None of this would be possible without the generosity and commitment of supporters like you, and for that we are truly grateful. Thank you for your loyalty, generosity, and continued belief in what we are building together. We hope you will consider being part of this special evening and its lasting legacy.

Warmest regards,

Ed Wiley, Treasurer LFNY/CLNY
